

TPI Puerto Vallarta

The TPI Workshop will be held at [Casa Isabel](#) in Puerto Vallarta:

**483 Del Bosque, Alta Vista,
Puerto Vallarta, Jalisco**

If you do not stay at Casa Isabel, a Taxi in town can take you there.

It is recommended that you book a hotel in the following areas of Puerto Vallarta:

Old Town, Romantic Zone, or Central Zone (easy walk to Casa Isabel)

Hotel Zone (short cab ride)

Hotels in the Marina area or Nuevo Vallarta would require a cab ride of 30 minutes or more to my condo and are not recommended.

Here are some suggested hotels in easy walking distance of the workshop:

[Casa Isabel](#) is the workshop location. It is a beautiful boutique hotel and Isabel has extended a special rate for workshop participants.

[Casa Fantasia](#) is a unique bed and breakfast a block from the beach and an easy walk to my condo. Beautiful gardens, fountains, and one of the premier new restaurants in Puerto Vallarta will welcome you.

[Playa Los Arcos](#) is a comfortable, affordable hotel right on the beach in old town. Check out our their suites across the street as well.

[Hotel Posada del Roger](#) is an older, but clean and affordable hotel. It has a great location in Old Town and is an easy walk to the workshop.

[Hotel Tropicana](#) is in the Romantic Zone on the beach.

Contact me if you have any questions about these hotels or any others in the area.
